

pay for completely unnecessary flood insurance for a flood they will never see. It's a classic example of a concept which looks good on a white board in some Washington office but that has unintended negative consequences in the real world.

While H.R. 1309 helps to alleviate some of these issues, we must get to the heart of the matter. I believe Mr. WALBERG's amendment to H.R. 1390 was an excellent step towards doing so and I was very pleased to lend my support to it.

The Walberg amendment placed a moratorium on new updated maps until a Technical Mapping Advisory Council submits new mapping standards to FEMA and Congress, which allows for map revision and updates with local input. I also supported Mr. MCGOVERN's amendment to gain reimbursement for communities when they rightfully challenge FEMA on its mapping errors.

I am determined and will continue working for a long-term solution to the root of the problem, which is that these maps simply don't accurately reflect actual flood risks. The proposed maps certainly don't accurately reflect the flood risks, or lack thereof, in my district.

#### HONORING THE 60TH ANNIVERSARY OF PEQUANNOCK TOWNSHIP FIRST AID AND RESCUE SQUAD INC.

### HON. RODNEY P. FRELINGHUYSEN

OF NEW JERSEY

IN THE HOUSE OF REPRESENTATIVES

*Wednesday, July 13, 2011*

Mr. FRELINGHUYSEN. Mr. Speaker, I rise today to honor the members of the Pequannock Township First Aid and Rescue Squad located in Morris County, New Jersey as they celebrate the organization's 60th anniversary.

Founded in 1951, the original members of the squad were concerned with providing ambulance services to the people of Pequannock. The squad was established as a

not-for-profit corporation and was built upon the commitment of selfless volunteers who have dedicated countless hours to training and protecting their community. Their membership has grown over the years, and with an ever expanding community, the time came for the squad's headquarters to grow as well.

With only a basic four walled building to house their two ambulances, members had to remove the vehicles in order to hold meetings. In 1968, they expanded the building to include a meeting room, kitchen and bathrooms. A second expansion came in 2002, with the addition of a new garage and second story. With a final renovation of the original structure in 2008, the squad was now equipped to better train their members and prepare them for aiding the community.

In addition to handling the many emergency calls, the squad also provides standby coverage at various sporting events and fundraisers, and works with other township organizations in educating the public through CPR/First Aid training and an anti-drunk driving program.

It is important to honor the select few in our communities who give of their time to help others. The past and present members of the Pequannock Township First Aid and Rescue Squad have provided an irreplaceable service to their community; one that I am sure will continue to grow for many more years to come.

Mr. Speaker, I ask you and my colleagues to join me in congratulating the Pequannock Township First Aid and Rescue Squad on the celebration of their 60th anniversary.

#### HONORING THE MOORE FAMILY

### HON. DOUG LAMBORN

OF COLORADO

IN THE HOUSE OF REPRESENTATIVES

*Wednesday, July 13, 2011*

Mr. LAMBORN. Mr. Speaker, I rise to recognize an exemplary Colorado family: Nelson

and Cruz Moore and their children, Rachel and Jacob. I would like to express my gratitude to the Moore family for their service to the State of Colorado. They have taken upon themselves to care for and preserve a culturally and historically significant Jewish gravesite in Cotopaxi, Colorado.

Cotopaxi, Colorado is the site of the unsuccessful Jewish agricultural resettlement effort of 1882–1884. It was the first Jewish American agricultural colony sponsored as part of the American Jewish aid movement through the Hebrew Emigrant Aide Society. The Jewish settlers endured difficult circumstances as they sought to establish themselves as farmers in Cotopaxi. Despite assistance from the local Christian community, the Jewish agricultural community still failed due to the harsh Colorado winters, unsuitable terrain, and the lack of promised housing and provisions by their local sponsor. Today, all that is left of the colony is the small graveyard of three Jewish children that lost their lives during the first winter of the attempted settlement. A historic marker has been erected by the Jewish American Society for Historic Preservation telling the story of the colony, helping preserve its memory, and highlighting the friendship of the two groups, united as Americans.

At the Cotopaxi grave site, Moore cleared the overgrown grasses and stabilized the area. He placed decorative stones around the three Jewish graves taken from a local silver mine that some of the Jewish men worked in. He also created and arranged the stones in the shape of the Star of David in the middle of the three graves. The Moore family is continuing their Christian friendship for the Jewish people, even though it has been 130 years since the Jewish settlers first arrived in Cotopaxi. The memory of these immigrants is honored and carried on through the Moore family's efforts to preserve the history of Colorado and America.

I am honored to acknowledge and to thank them publicly for their exemplary dedication and Christian friendship with the Jewish people.
